Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen presents its report of the various Town Officers for the year ending December 31, 1964.

SPECIAL TOWN MEETING

The Board of Selectmen wishes to thank everyone who attended the Special Town Meeting on the Blackstone Regional Vocational School Article. This meeting was instrumental in changing the site, and since then a new site has been chosen. Bids will be posted for the new school shortly.

STATE REPRESENTATIVES

The Town of Millbury is honored this year in having two of her native sons elected as State Representatives from our district — namely, Richard J. Dwinell, a life-long resident of this Town and a Member of our Board of Selectmen, and Mr. Albert Nash, who was born and raised in Town and is now living in Leicester where he is also on the Board of Selectmen. This is the first time in 47 years Millbury has had a State Representative.

SOFTBALL TEAM

We join the people of Town in praising the Millbury Old Time Inn Softball Team who won the State Championship and went on to represent the State of Massachusetts in the National Tournament in Ohio. They didn't win the National Title but is wonderful to know that the boys from Millbury did such a great job and they certainly are an asset to our Town. We wish to thank all those who contributed in any way to help send this fine team to Ohio.

NEW YORK WORLD'S FAIR

August 24th was "Millbury Day" at the New York World's Fair. The Town was very capably represented by the Millbury Girls Fife & Drum Corp and The Powers Star Harmony Drum Corp. Both of these units gave a tremendous performance before thousands of people.

Millbury should be proud also of the women who displayed their arts and crafts on this occasion for they were all enthusiastically received. The following arts and crafts were displayed:

1. Mrs. Ernest Boutilier — Rug Braiding and Rug Hooking.

2. Mrs. Walter Magnuson — Comb Craft.
3. Mrs. Stanley Knapik assisted by Mrs. Ralph Day, Mrs. Robert Stockwell, Miss Augusta Sullivan and Miss Joan Knapik — Sugar Craft.
4. Mrs. Donald Hamblett — Early American Decorations.

The Co-Chairmen of this Committee were: Mrs. Donald Hamblett, and Mr. John Powers, and assisted by Mrs. Oran Matson, Mrs. Ralph Day, and Mr. Robert Blair.

The Board of Selectmen participated in all of the activities and accepted a citation on behalf of the Town of Millbury.

TOWN SEWERAGE

The Town of Millbury is still faced with its sewerage problem even though all of the articles in the Warrant last year relative to this matter were accepted and the Board of Selectmen were authorized to proceed with the application to the Federal Government for a $1,300,000.00 grant under the Accelerated Works Project Program — which we did immediately. At the time the application was submitted, the Town qualified for this grant, but shortly after the area unemployment figure dropped to less than 6% — then we no longer qualified; therefore, we are right back to where we started last year.

We are placing another article in the Warrant this year. This calls for a bond issue of $1,085,000.00 and a grant from the Federal Government for $475,000.00 under the Public Health Program. We do qualify for this program. This amount will cut back our originally proposed first phase of construction considerably.

The first phase under this new proposal will be explained when the Article comes up for action at the Annual Town Meeting.

Respectfully submitted,

FREDERICK E. LUCAS, Chairman
WILLIAM J. GIBSON, Clerk
RICHARD J. DWINELL

Highway Surveyor's Report

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my Annual Town Report.

CHAPTER 90 CONSTRUCTION

We are proud to announce that West Main Street has been completed under Chapter 90 Construction account. The last two sections have been surfaced with Type I hot-top material. This material gives us a more permanent type construction, which should be maintenance free for years to come.

The next Chapter 90 Construction will take place on Grafton Street starting at the Town line and progressing toward the center of town.

We would like to take this opportunity to thank all the people who had used West Main Street during construction for their patience and understanding.

SNOW & ICE ACCOUNT

We were kept busy during the winter season with a number of snow and ice storms and tried to give all sections prompt service. Particular attention was given to sections in which school bus routes were involved. After every storm the area of Millbury Center, the churches, and Funeral Homes were cleared of snow in a prompt and efficient manner. I feel that all members of the Highway Department and the Contractors deserve particular praise for this service.

GENERAL HIGHWAY

The usual work has been performed under the General Highway and Permanent Road accounts. This includes the cleaning and sweeping of streets, also cleaning out catch-basins and gutters, general maintenance and patching. We were able to complete South Oxford Road to the town line. This includes widening, gravel and two coats of oil for a distance of approximately 2500 feet.

CHAPTER 782 AND 822

Under a special Grant from the State we were able to resurface Howe Avenue from Canal Street to Millbury Avenue at the triangle with a Type I hot-top material. A dangerous curve was eliminated with the widening of the curve at Millbury Avenue. This triangle should be completed this spring after a delay caused by land taking procedures.

OIL STREET ACCOUNT

We were able to continue our extensive oiling program which has proved very successful, in helping to keep maintenance costs at a minimum.

The following list of streets have been oiled and honed:

South Main Street
Sycamore Street
Leslie Lane
Woodland Street
Curve Street
Coral Street
Pearl Street
Sullivan Place
Harris Avenue
Burbank Street
Mill Street
Glover Road
South Oxford Road
Dolan Road
Davis Road
Stone Road
Hamilton Street
Prospect Street
Leone Avenue
Budreau Avenue
Miles Street
Mayfair Lane
Brightside Street

In closing I would like to thank the personnel in the Highway Department, local contractors, and all other town departments for their help and cooperation that they have given me in the past year.

Respectfully submitted,

RUSSELL G. GOVER

Highway Surveyor

Report of
Charlton Home Farm Association

FOR YEAR ENDING DECEMBER 31, 1964

The year 1964 ended without conveying the Charlton property to the successful bidders at the auction held at the Farm May 19, 1962.

However, House Bill No. 2984 became law effective August 7, 1964. This bill clarifies the action of the officers and empowers them to sign deeds for all member towns. It would appear that this entire matter would now be finalized during 1965.

Respectfully submitted,

DONALD R. PERKINS, *President*

ROBERT A. DONOVAN, *Sec. & Treas.*

Report of Board of Health

To the Honorable Board of Selectmen:

The Members of the Board of Health submits the following report for the year 1964.

392 investigations of complaints and inspections were made during 1964.

At Clinics sponsored by our Board 112 pre-school children were vaccinated against Small-pox and make-up clinics were held for those who did not receive Polio vaccine during 1963.

We did not have a patient at Worcester County Sanatorium during five months of 1964 and as of December 31st only one (1) patient is receiving treatment at the Sanatorium. We are now saving several thousand dollars under the new State system of charging only one half the hospitalization cost for each patient and eliminating the Assessment.

New Rules and Regulations have been adopted under the State Sanitary Code for eating and drinking establishments. In 1965 regular inspections will be made by our Board of all food service establishments.

Improvements have been made at the Town Dumping area for the use and convenience of our residents in disposing of rubbish. All vehicles entering the town dump for the purpose of dumping rubbish must carry an official resident sticker as issued by the Town Clerk. New green stickers shall be issued upon request by the Town Clerk to residents without cost.

All Contagious diseases must be reported to the Health Department and the following cases were reported during 1964:

86	Chicken pox
97	Dog bite
831	German Measles
60	Measles
132	Mumps
1	Salmonellosis
8	Scarlet Fever
11	Whooping Cough
1	Infectious Mononeucleosis
1	Viral Meningitis
1	Cat bite
1	Rat bite
1	Horse bite

The following Licenses and permits issued during 1964:

3 Funeral Directors
63 Burial Permits
2 Pasteurization of Milk
2 Methyl Alcohol
4 Cleaning Cesspools and Septic Tanks
96 New Sewerage systems and to repair old systems
71 Percolation Test
124 Plumbing
1 Overnight cabins

$1,203.60 in fees were collected and sent to the Town Treasurer.

Respectfully submitted,
FREDERICK P. ELLIS, *Chairman*
WALTER A. WELDON, *Agent*
WILLIAM H. CARON

Report of Dog Officer

To the Honorable Board of Selectmen:

The activities of this Department for the year 1964 are as follows:

Stray dogs picked up	48
Complaints investigated	39
Lost dogs returned to owners	12

Dogs must be licensed April 1st of each year. Please report lost dogs to the Dog Officer immediately to assist us in returning them to their owners.

Respectfully submitted,
FRANCES M. COLBY
Dog Officer

Report of Animal Inspector

To the Honorable Board of Selectmen:

The activities of this Department for the year 1964 are as follows:

Dog bite cases investigated	97
Bodies of animals on highway	67
Barns and herds inspected	18

Respectfully submitted,
FRANCES M. COLBY
Animal Inspector

Town Clerk's Report

To the Citizens of Millbury and the Honorable Board of Selectmen:

I respectfully submit my fourth annual report as Town Clerk.

At the time this report was sent to the printer we have received and recorded for the year 1964, in the Vital records of the Town of Millbury 147 births, 123 deaths and 119 marriages.

Of the 147 births recorded to date 142 were born in Worcester, 2 in Webster and 1 in each of the following: Holden, Marlboro, and Northbridge. For the 7th consecutive year there were no children born in the Town of Millbury itself.

123 deaths were recorded in Millbury, 64 of them received from Worcester, 53 died in Millbury, 3 in Rutland, and 1 each of the following: Webster, Princeton and Woonsocket, R. I.

During the past year 119 marriages were recorded in our records, 52 were married in Millbury, 37 in Worcester, 11 in Auburn, 2 in Grafton, Shrewsbury, and Pawtucket, R. I., 1 in each of the following: Sutton, Putnam, Conn., Malden, Griswold, Conn., Waltham, Uxbridge, Leicester, Essex, Lawrence, Sudbury, Oxford, Northbridge and Northboro.

Our program of micro-filming records is progressing nicely, and again I would like to extend an invitation to other department heads to come in and discuss their record retention problems, and begin to film their records for security and to eliminate their over crowded storage problems.

I would also like to take this opportunity to thank the various Departments in the Town for their cooperation through-out the past year.

ORAN DAVID MATSON

Town Clerk

Planning Board

To the selectmen and the inhabitants of the town of Millbury the Planning Board is pleased to make its annual report for the year of 1964. The following permits were issued under our zoning by-laws:

Church Addition	1
Homes	8
Additions	39
Manufacturing Plants	1
Miscellaneous	19
Total—Zoning Permits	141

The board has approved one subdivision known as Williams Street off of Riverlin and endorsed forty-five plans for recording by owners of the town.

The town meeting of 1964 endorsed the sewerage program and appropriated the necessary money. The program is ready to start once these funds are available.

Under the sidewalk program approximately 1500 feet have been installed. This is a continuing program and further work will be recommended for this year.

Planning board meetings are open meetings held on

the second and fourth Monday of each month in the Selectmen's room in the town hall.

The board wishes to thank all who have worked with us. It is only with such cooperation that Planning Programs can be formed and carried out.

Respectfully submitted,

ROBERT E. BLAIR, *Chairman*
FRANK J. PISCITELLI, *Clerk*

Report of Millbury Housing Authority

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1964.

200-1 Veteran's Project

Our Veterans project is again fully occupied at the end of its 14th year. Three families were given housing as units were vacated. A waiting list of veterans is still being carried by the Authority.

A contract was awarded to Howe Petroleum Products for maintenance of furnaces. As in the past this company continues its fine work of keeping our furnaces in A-1 condition at a minimal cost to the Authority.

Eighteen units were painted in 1964 and the remaining seven to be painted in the spring.

A serious drainage problem at 11 Memorial Drive has been corrected and we anticipate no further trouble from this source.

The Authority wishes to extend its sympathy to the family of Mr. Winfield W. Scott who died June 29, 1964. The late Mr. Scott was appointed to the Authority May 29, 1957, re-elected March 1958 and elected chairman November 14, 1958. He was appointed Executive Director September 1, 1963 and served in that capacity until his death.

Upon the death of Mr. Scott, Mr. Raymond J. Whittaker was appointed Executive Director by the Authority.

Mr. Stanley Knapik was appointed to fill the vacancy on the board created by the appointment of Mr. Whittaker as Executive Director. Mr. Knapik will serve until the annual town election in March 1965.

The following officers were appointed: Chairman, Ernest T. Tarbox; Vice Chairman, Frank Kawolis; Treasurer, Leonard Roberts; and Assistant Treasurer, Joseph Sullivan.

667-1 Elderly Project

In this project we have completed our fourth full year of occupancy. During the year one tenant was admitted to fill an existing vacancy. A long list of applicants for apartments is still in the Authority files.

Only minor maintenance was required during the past year and we do not anticipate any major maintenance problem in the coming year.

Respectfully submitted,

Millbury Housing Authority

Report of Conservation Commission

Honorable Board of Selectmen:
Gentlemen:

The Conservation Commission herewith presents its annual report for the year ending December 31, 1964.

The newly appointed Commission met on April 15th for the purpose of organizing and being sworn in by the Town Clerk. Mr. Wesley M. Howe was unanimously elected chairman and Miss Ann M. Anyon secretary. Terms were drawns as follows:

3 Year—Mr. Wesley M. Howe and Mr. Donald J. Montigney and Mr. John E. Swedberg.

2 Year — Mr. Kenneth J. Botty and Mr. Carl E. Scott.

1 Year — Miss Ann M. Anyon and Mr. William H. Graves.

Chairman Howe reported a donation of land by Mrs. Alfred L. Fay consisting of 25 acres to become town property for the purpose of use as a town forest, reservation or wild land.

A survey of this land has been completed, a sign erected at the entrance reading "Davidson Sanctuary" and the deed has been accepted by the Town of Millbury.

The Commission is exploring the possibility of land acquisition for a much needed town bathing beach. Anyone wishing to donate land for this or any other Conservation purpose is invited to meet with the Commission or contact the Chairman.

A request through the Town Board of Health to the State Department of Public Health to investigate a possible pollution problem at Ramshorn Brook has been made and is under investigation.

The Commission has also set up sub-committees of its members to investigate possible acquisition of land in the "Greenbelt" areas of town recommended for Conservation purposes by the town's Master Plan.

A joint meeting with Selectmen, Planning Board members, Town Council, a representative of the State Department of Natural Resources was held for the purpose of acquiring all necessary information on locations of land,

town access to waterways, cost, and availability of Federal Funds for Conservation projects, in an effort to aid us immeasurably in all our present and future projects thus fulfilling our obligation to our community.

Respectfully submitted,
WESLEY M. HOWE, Chairman

Report of Regional Planning District

ORGANIZATION OF PLANNING DISTRICT IN 1963

In the past year and a half rapid strides have been made towards establishing a continuing regional planning program in Central Massachusetts. On June 24, 1963 the City Council of the City of Worcester voted unanimously to have the City join with five other suburban towns in a regional planning district organized under the regional planning legislation, Chapter 40B of the General Laws, Promptly thereafter these six communities applied to the Division of Planning of the Massachusetts Dept. of Commerce for recognition that they encompassed an "area effective for regional planning purposes" as required by the legislation. This finding was forthcoming on July 30, 1963 and the Central Massachusetts Regional Planning District was established.

NEW MEMBERS JOINING PLANNING DISTRICT IN 1964

In addition to Worcester, the original members included the Towns of Boylston, Paxton, West Boylston, Leicester and Shrewsbury. On March 7, 1964 the Towns of Holden and Millbury voted to join the Planning District, and on June 29, 1964 the Town Meeting of Auburn favorably considered a proposal that it too join the other members. The nine present members of the Planning District represent 75.2% of the population of 339,800 of the District and 32.0% of the gross area. Taken as a whole they form an excellent nucleus on which to build the regional program.

RETENTION OF STAFF MEMBERS

At the first meeting of the Regional Planning Commission held on August 28, 1963 it was agreed that it would be advantageous to hire a full time technical staff if at all possible. The prime reason for this was felt to be the need for establishing a continuing regional planning program. This would be possible only with a permanent staff of professional planners.

It was decided to advertise for a regional planning director in a national planners' publication, the "Jobs in Planning" bulletin of the American Society of Planning Officials. After some 22 candidates had been interviewed, Mr. David H. Kellogg of Penfield, N.Y. was selected in December 1963. Mr. Kellogg had been a member of the technical staff of the Monroe County Planning Council, the metropolitan planning agency for the Rochester Metropolitan Area. He received a Master's Degree from Clark University in 1951 and is an associate member of the American Institute of Planners. Mr. Kellogg commenced work on February 10, 1964, and now resides in Holden.

After interviewing several applicants, Mrs. M. Jeannette Brodeur, formerly of Oxford and now a Worcester resident, was selected as Secretary. Mrs. Brodeur received an Associate Liberal Arts Degree from Worcester Junior College in 1958. She increased the staff to two commencing on April 6, 1964.

Four additional positions were made available by the approval of the "701" project on November 24, 1964. Three of these four have now been filled. Mr. Paul C. Pisinski commenced work on November 30, 1964 as Senior Planning Aide. Mr. Pisinski is a 1964 graduate of the University of Massachusetts with a major in City Planning. He is a resident of Northborough.

Mr. Russell L. Morgan of Erie, Pennsylvania was selected as one of the two Senior Regional Planners. Mr. Morgan had been Principal Planner on the Erie City Planning Staff. He graduated in 1959 from Michigan State University with a B.S. in Landscape Architecture. He is a member of the Pennsylvania Planning Association and now resides in Holden. Mr. Morgan began work on December 4, 1964.

Mr. James W. White of Vienna, Virginia was chosen as the other Senior Regional Planner. Mr. White formerly was Planning Director in Vienna. He graduated in 1954 from Antioch College with a B.A. in Geology followed by graduate studies in Geography at the University of Illinois.

He is a provisional member of the American Institute of Planners. Mr. White commenced work on December 7, 1964. He now resides in Worcester.

SELECTION OF OFFICE SPACE

The first problem facing the Planning Director upon commencing work was the selection of adequate office space in a convenient location. A location within the City of Worcester but away from the central business district, centrally located to member communities was desired. After numerous investigations the Regional Planning Commission's permanent office was located in the H.E. Shaw Co. Building at 421 Belmont Street, on Route 9, corner of Lake Ave. North, near Lake Quinsigamond. The office contains four small rooms with a total of 525 sq. ft.

DEVELOPMENT OF THE URBAN PLANNING ASSISTANCE PROGRAM

The other major problem facing the Central Massachusetts Regional Planning Commission as soon as its Planning Director was retained was that of developing a comprehensive regional planning program. It became immediately apparent that it would be desirable, if not absolutely necessary, to make use of Federal funds under the Urban Planning Assistance Program. This is a program under which cash grants for the preparation of either local or regional comprehensive planning programs are made available through the Housing and Home Finance Agency to a municipal planning staff for a city or town under 75,000 population, or to a regional or a county planning staff, or to a consultant working for one of these planning agencies. It is named the "701" program for short, based on the pertinent section of the Housing Act of 1954 under which this aid first became available. "701" assistance will pay for ⅔ of the cost of preparation of any local or regional planning program.

Therefore the Regional Planning Director prepared a regional planning program that was approved by the Regional Planning Commission and submitted on April 2, 1964 to the Division of Planning, Mass. Dept. of Commerce and Development. The state planning agency is the administering and supervisory agency for the "701" program in Massachusetts. This program was approved by them and submitted to H.H.F.A. in New York for preliminary approval. This was forthcoming in July 1964.

Since a comprehensive transportation study was being developed for the area at the same time, several clarifications and amendments were necessary before the coordin-

ated application was re-submitted to the Division of Planning on Sept. 11, 1964, and then to H.H.F.A. for final approval. Final approval was received on Nov. 24, 1964 and notification to incur costs on Nov. 25, 1964. Work on the project commenced on Nov. 30, 1964.

SCOPE OF THE REGIONAL PLANNING PROGRAM

The regional planning program as outlined for the Central Massachusetts Regional Planning District is divided into a three-stage, comprehensive. long range planning effort. It will be divided into three, two year projects. The first project will assemble and analyze much of the needed basic data concerning the region. The second project will develop a comprehensive regional master plan for the year 1990, while the third project will aid the implementation of planning proposals.

Elements of this first planning project that are of interest to local officials, planning boards, and interested citizens may be divided into five categories. The first category would be the major studies comprising the first project, base maps, economic factors affecting development and forecasts, population studies and forecasts, land use mapping and forecasts, and a public facilities analysis. The second category is the preparation of simplified Sketch Plans and Study Development Plans. The other categories include subsidiary analysis, an operational soil survey, and a preparation of, and reimbursements for, reports and expendable items. The first project's total cost is stipulated to be $104,844 for the two years of its duration.

Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1964.

The following salary schedule is still in effect:

	Minimum	*Maximum*
(1) Bachelor's Degree	$4,600	$7,000
(2) Master's Degree	4,800	7,200
(3) Doctor's Degree	5,000	7,400

On January 1, 1964, the second phase of a three-phase salary program became effective and all teachers were granted their adjustment. They also received the $200 increment in September. In order to receive this increment, a teacher must earn six professional credits in every three-year period until the teacher reaches the maximum step on the pay scale.

Open House, an annual event in our schools, was again held in November and was well attended by interested parents.

Major repairs and new installations in the various schools were carried out as follows: the interior and exterior of the Union School was painted and the exterior of the Center School was painted and repaired; a sink was installed at the Dorothy Manor School for the Mothers' Club; floodlights were installed at Burbank, East Millbury and Dorothy Manor Schools; opaque projectors and filmstrips for the elementary schools were purchased; a transportation cart, an aerifier and a rotary mower were purchased for the grounds maintenance department; music stands and an oboe were purchased for the school band; two science demonstration tables, science kits and new desks and chairs were purchased for the Center School; folding chairs were purchased for the high school and several new pieces of equipment were added to the physical education department.

A new Dodge pick-up truck and several items of equipment were purchased for the new hot-lunch program at the Center and Union Schools. The truck is to be used for the transportation involved in this program.

A major improvement was carried out at the Center and Union School playground area by installing a new surface water drain, catch basin, leaching area, blacktop driveway and entire play area.

The new Adult Education classes were inaugurated this year with courses in modern math, typewriting, bookkeeping and several homemaking subjects being offered to the townspeople of Millbury.

A major change in our teaching curriculum was adopted this year when a modern math series was started in grades one through four and the Hay-Wingo phonics program was inaugurated in our second grades.

We would like to congratulate Horace Mann students Elaine DeSourdis, Lois Fournier, Shirley Looms, Michael McArdle, Rosalie Robitaille, Susan Sadowski, and Christine Woll for the excellent

record they have maintained while students at the Millbury Memorial High School.

The School Committee feels that we must have new elementary schoolroom space and Article 66 in last year's Town Warrant provided for this urgent need. A committee, called the Elementary School Building Committee, has been appointed by the Town Moderator and is looking into this entire matter with a report expected to be submitted to the townspeople early in 1965.

As stated in our previous reports, school operation is a tremendous undertaking. Successful operation could not be accomplished without the cooperation of the superintendent, principals, teachers, school department workers, the various town departments and organizations, parents and townspeople.

The requested budget for 1965 is an approximate 8% increase over 1964. The State has approved reimbursement in the amount of $130,480.21 for the year 1964. This amount is returned to the Town Treasurer, not to the School Department.

The committee wishes to thank everyone for the generous cooperation given it during the past year; let's continue to work together to give our children the best possible education

School Committee

Report of the Superintendent of Schools

To the School Committee:

I hereby respectfully submit my fifth annual report and the seventy-fifth in the series of reports of the Millbury school superintendents.

If the school year 1963-64 were to be described by any one characteristic it would have to be that of the awareness of the American public that our educational system, curricula and courses of study do not meet the realities of the new world in which we are living. Clearly, a massive reformulation of what is to be taught and learned in the schools of the United States is under way. Not only have new course outlines and instructional materials been developed in the fields of mathematics, physics, chemistry, biology, and the languages, but now the following subjects: economics, geography, English, reading, history and civics have been added to the former so-called "defense subjects" by the National Defense Education Association and are eligible categories for the purchasing of equipment.

In addition to the above-mentioned we now find considerable attention is being focused on the dropout, the plight of youth, unemployment and poverty.

It might well be summed up by stating that the emphasis is now being shifted from particular areas, such as, mathematics, science and foreign languages to a general purview of the entire field of education.

Educational Progress

The school year, 1964, saw the consolidation of all of the programs initiated in 1963 and the implementation of several others. The Hay-Wingo phonetic system, introduced last year into the first grades to supplement the sight-recognition system, was extended to all second grades in the town. The committee, selected from the teachers who had taken the pilot course in modern math, who were to evaluate the various books on modern math, decided on the book published by the Silver Burdett Company. The new course in modern mathematics was instituted in grades 1-4 this fall. Departmentalization which was implemented last year in grades five and six and which, generally speaking, enjoyed a successful beginning, was continued this year. A second very successful summer band school was conducted by our director of instrumental music, Mr. Rocco Bruno, who also directed and produced our first public Christmas concert put on by the high school choral group and the combined school bands. Millbury, after a favorable vote at its annual town meeting in March and later by the various towns comprising the Blackstone Valley Regional Vocational High School District, was admitted to this district and upon completion of this school our boys may expect greater opportunities for training in the vocational area.

We have in this past school year also implemented or installed the following: A new central filmstrip library was installed at the Center School for the elementary grades; Additional time was allotted

to Mrs. Gagliardi, part-time school nurse, in order to enable us to more thoroughly test the eyes of our school children: Two fourth grades were established in the Center School, one because of the need for an extra class due to a large incoming fourth grade, and the second to make room for an additional first grade at the Dorothy Manor School, due to an increased entrance enrollment in this area; Adult Education evening classes in typewriting, bookkeeping, sewing, rug hooking, knitting, and cake decorating and party refreshments were successfully initiated in 1964, as was an adult exploratory course in modern math for the parents of our elementary school pupils.

In addition to regular book orders and supplies several new pieces of equipment were purchased in 1964: Safety glasses for the industrial arts and science classes in accordance with Chapter 51 of the Acts of 1964—"An Act Requiring Pupils to Wear Eye Protective Devices While Attending Certain Classes in Public Schools"; Opaque projectors and filmstrips for the elementary schools; Music stands and an oboe for the school band; Two science demonstration tables and accompanying science kits for the Center School; New equipment, including scales, table-tennis tables, mats and an Olympic buck for the physical education department of the high and junior high schools; Thirty-six new desks and chairs for the Center School and fifty folding chairs for the high school; Eleven new typewriters for the high school commercial department and three for the administrative offices; A new hot-lunch program for the Union and Center Schools was initiated with the kitchen at the Memorial High School being used as a central kitchen for all the hot-lunch programs in town; New ditto machines to replace worn out machines at the high school and East Millbury School. To the Dorothy Manor School Mothers' Club we owe many thanks for the television and stand purchased by them for the Dorothy Manor School.

School Plant

In addition to the educational philosophies, curricula, devices, equipment, etc., the physical school plant must also be considered. Last year the following repairs were made, construction completed, and equipment purchased: Painted and repaired exterior of Center School; Painted and repaired fence at Providence Street School; Removed old flush tanks and put in Sloan valves in boys' and girls' rest rooms at Burbank School; Put in new fence at eastern end of boys' play area at Burbank; A new sink and an electric hot water system were installed at the Dorothy Manor School; Had installed a macadamed driveway and play area at both the Union and Center Schools; A catch basin and leach area were also installed in these play areas to prevent water running onto neighboring properties; Floodlights were installed at Burbank, East Millbury and Dorothy Manor Schools to facilitate parking during school events and during voting; At the Memorial High School a lighted sliding area and skating rink were built and made available to the public for safe sliding and skating; A small utility trailer, an aerifier and a rotary mower were purchased for the grounds maintenance department; A new Dodge truck and several pieces of equipment, such as, vacuum tanks, warmers, trays and other utensils incidental to our new hot-lunch program in the Center and Union Schools were purchased. The boys, and instructors, Mr. Wilmar Ela and Mr. Roger Bourdeau, from the industrial arts department contributed a great deal to the success of this venture by making numerous carriers for bread, pastry, trays, etc., and also by constructing a number of dollies for the conveying of the heavier articles about the kitchen and to the truck.

Present expansion and improvement plans for the future of our school plant are as follows: The most immediate need is for the replacing of the boilers in the Center School. It is needless to say that this is our most immediate problem for this has been a serious hazard for a number of years and last fall we were informed by Mr. Clifford W. Greene, a heating engineer hired by the School Committee to survey this situation, that the need for a new boiler was most imminent; The plan to refinish the exterior stucco and trim at the East Millbury School is also a project for the coming year; Last and perhaps most important is the new elementary school. A committee was appointed at our last annual town meeting to bring in at the next annual town meeting or at a special town meeting estimates of construction costs and the cost of acquiring suitable land for a new elementary school. This is just the beginning, but we are on the way, and with all of our available classrooms in the town of Millbury now occupied, increased enrollment, which is at the rate of approximately eighty pupils per year, must drive home to us the fact that a new school is not only a paramount issue but an immediate one.

Conclusion

To the members of the School Committee and to my secretary, my sincere appreciation for your cooperation during the past year. I would also like to express my gratitude to the town officials, the Parent-Teacher Association, the Dorothy Manor Mothers' Club, the East Millbury Community Association, the Highway Surveyor, the Chief of Police and the Chief of the Fire Department for their cooperation. To the administrative staff, principals, supervisors, directors, teachers and all other employees of the Millbury Public Schools, my sincere thanks for your cooperation in meeting the educational needs of the pupils of the town of Millbury.

Respectfully submitted,

STEPHEN BEATON

Superintendent of Schools

Report of Mr. Raymond E. Shaw

High and Junior High School Principal

With the opening of school in September the enrollment of the High School was 475 pupils. This figure is made up of the following: 151 pupils in grade 10, 156 in grade 11, 168 in grade 12. This indicates an increase of 12 over the enrollment of the previous year.

During the past year Mr. Charles Capparelli, a graduate of Holy Cross College, was appointed to teach United States History, replacing Mr. Edward Cronin who resigned to take a position in the Worcester School System. Mr. Alan Curtis resigned to take a position at Curry College in Milton, Massachusetts and Mrs. Agnes McCarron, who formerly taught in Millbury, was appointed to replace him, teaching typewriting and business arithmetic.

The Junior High School opened in September with an enrollment of 527, an increase of 13 pupils. The 7th and 8th grades each had an enrollment of 184 and the 9th grade 159. Several faculty changes were also made in the Junior High School during the summer. Mr. Raymond Gemme was assigned to the 9th grade to teach French and Latin, replacing Mr. Georges Desrosiers who joined the United States Air Force. Miss Lorna Peck, a graduate of Clark University, was appointed to teach Conversational French in grades 7 and 8 and literature in grade 7. These were formerly taught by Mr. Gemme. Mrs. Emilia Carrigan, who taught reading and civics, resigned and Mrs. Daniel Shimkus was transferred to this position, while Mrs.

Shirley Daughan, who graduated from the University of Idaho, was appointed to teach history, formerly taught by Mrs. Shimkus. We welcome the new teachers to our junior and senior high school faculties and extend our best wishes for a successful and happy future.

The Millbury Memorial High School held a Christmas assembly on December 20, 1963. At this time Horace Mann awards were presented by Superintendent of Schools, Mr. Stephen Beaton, to the following students: Meredith Dana, Michael McArdle and Janice Savoie. Mr. Beaton also cited Douglas Murray, Beverly Norton and Elaine White for their second achievement of becoming Horace Mann students.

The fourth annual National Honor Society induction was held in the school auditorium on May 15, 1964. Among the new members honored at the assembly were: Seniors, Nancy Burbank, Leif Erickson, Kathleen Howard, Margaret Lachapelle, Theresa Madsen, Henry Nicoletti, Paul Graveline, Paul Johnson and Barbara Rhodes; the Juniors were Kenneth Holm, Sheila May, Joseph Jurgelonis, Therinda Lindstrom, Martin Roach, Karen Sheehan, Mary Ann Roach, Wallace Stewart, Linda Magill and Ronald Roberts.

Richard Knapik gained distinction for himself and the school when he qualified as a semi-finalist in the National Merit Scholarship Qualifying Test. Karen Krula and Richard McSheehy were also cited for outstanding performance in the same test and both received a formal "Letter of Commendation" from the National Merit Scholarship Corporation. To all of them, we extend sincere congratulations.

The following students, Elizabeth Felice, Charlotte Hamilton, Barry Maynes, Sally Quist, Michele Stranger and Katherine Turonis were awarded Certificates of Acceptance by the National High School Poetry Press. Their original poems were published in the Annual Anthology of High School Poetry.

On May 12, 1964 the Worcester Branch of the National League of Pen Women honored the following Millbury High School students for outstanding achievement in high school publications in the categories of art, editorials, fiction, nonfiction, and poetry: Donna Andrews, Carolyn Ball, Douglas Murray, Paul Graveline, Jane Gagliardi and Lois Fournier.

A special tribute to the late President John F. Kennedy entitled "Young America Mourns" contains poems written by nine Millbury Memorial High School sophomores. This memento published by the National Poetry Press, contains approximately three hundred poems selected for publication from twenty-three thousand entries.

The following students submitted poems deemed worthy of publication: Karen Carlson, Phyllis Deslaurier, Ellen Faron, Sheila Gilbert, Gail Parath, Marie Jordan, Russell Lindblad, Shirley Looms and Donna Narx.

The following stenographic students successfully spelled a list of 100 words submitted in an international spelling competition sponsored by the National Office Management Association and thereby entitled to a Spelling Certificate; Suzanne Brodeur, Phyllis Girouard, Margaret Lachapelle, Shirley Lemanski, Christina Samko and Elaine White. Stephanie Lettic successfully spelled two lists of 100 words each and therefore receives a Spelling Proficiency Certificate. Margaret Lachapelle received an Arithmetic Proficiency Certificate for having successfully solved two sets of problems submitted in an international arithmetic competition sponsored by the National Office Management Association.

Senior Athletic Awards were presented to Miss Elizabeth Zemaitis and Kevin May.

Millbury Memorial High School held Open House for Armed Forces representatives in the school gym on Friday, March 20, 1964 at 1:15 p.m. This program arranged by Miss Mary Grogan, guidance director, was attended by all junior and senior boys. Chief Petty Officer, James W. Gilchrist of the U.S. Navy, presented general information concerning Service obligations and oppportunities. Each representative brought materials concerning his branch of the service. There was opportunity for boys to get information concerning the particular Service in which they were interested. The following personnel participated in the program:

Sgt. 1st Class Bright—Regular Army
Master Sgt. Hack—Army Reserve
Chief Petty Officer Payne—Coast Guard
Sgt. Holcomb—Marines
Petty Officer 1st Class Cronin—U.S. Naval Reserve
Petty Officer 2nd Class Hamel—U.S. Coast Guard

The various clubs and organizations in the Millbury Memorial High School enjoyed another year of success under the leadership and

guidance of the following teachers: Girls' Athletics, Miss Ann Harrington, and we take this opportunity to congratulate her and the field hockey team for a most successful season. Boys' Athletics, Mr. Martin Roach, Mr. Hudson Matson, Mr. James H. O'Leary, Mr. Donald O'Leary, Mr. Paul Kollios and we congratulate him and the basketball team for winning the Clark Tournament Large Schools Division Championship; cheerleaders, Miss Diane Berthiaume and Mrs. Marilyn Christensen; Student Council, Mr. Alan Curtis and Mr. Edward Faron; Band and Glee Club, Miss Helen Brown; Science Club, Miss Joan Shea, Miss Michele Abladian; the Junior Red Cross and National Honor Society, Mr. John Chadwick; the *Reflector*, Mr. Robert Miles, Miss Margaret Marlborough, Miss Frances Pronski and Mrs. Barbara Johnson; the *Aftermath*, Miss Helen Brown and Mrs. Shirley Daughan; the Dramatic Club, Mrs. Emilia Carrigan and Miss Joan Peterson; Public Speaking and Debating, Mr. John Hayes; Magazine Drive, Mr. Paul Lacouture.

Once again our high percentage of attendance in the Millbury Memorial High School 96.49, and in the Junior High School 96.01, is an indication of the interest and cooperation of both pupils and parents of the town.

Report of School Building Committee

(JUNIOR HIGH SCHOOL)

To the Citizens of Millbury:

The committee is pleased to report that the new junior high school, the additions to the senior high school and the new softball and football practice fields are complete at this time.

Additional work was necessary to insure a substantial grass growth on the new fields. As a last project the two fieldstone walls at the entrance to the new junior high school were removed and this particular area made into a lawn area.

A complete itemization of building Committee expenditures has been published in previous reports and the small balance remaining is to be returned to the Town Treasurer.

The Building Committee has received invaluable assistance from all town departments and townspeople during the construction of this project and we wish to thank them for the wonderful cooperation extended the committee.

As chairman, I would like to express my appreciation for the wonderful assistance rendered by the Building Committee personnel during the entire planning and building of this project. My sincere appreciation is also extended to Mr. Shea, our immediate past school superintendent, and to Mr. Beaton, Superintendent of Schools, for their tireless efforts on behalf of this project.

Any interested voting citizen of the town of Millbury may procure information in regard to actions and expenditures by the Millbury School Building Committee simply by calling the chairman of this committee.

The committee has completed its work and will cease its operating function effective at the annual town meeting.

Respectfully submitted,

ARTHUR L. STOWE, Chairman
LAWRENCE J. ARMY

Report of the Finance Committee

To the Citizens of Millbury:

The Finance Committee respectfully submits its annual report and recommendations to the citizens of Millbury.

The cost of General Government, with the cooperation of the department heads, has been held very close to last year's expenditures.

The largest increase is in the school budget where an increase of $61,298.01 would reflect an increase of approximately $6 per $1000 assessed valuation in the tax rate. Another sizeable increase appears in the welfare budget with an increase of $11,000.00. Veterans' services shows an increase of $5,515.00. Both of these increases are the result of increases in benefits dictated by the State.

The one bright spot this year is a fairly healthy E & D account, or so-called "Free Cash."

As of the writing of this report, we have not received the "Cherry Sheet" from the State. Without this information we cannot give an accurate prediction of the tax rate for the year. If we obtain the information before the Town meeting, we will review our forecast and report our findings.

With the use of our "E and D" surplus it appears that there will be an increase of approximately $4 per $1000 assessed valuation this year.

The Warrant contains a new sewerage article which could have a great impact on the tax rate for the next 20 or 30 years, depending on financing.

The Finance Committee feels that every citizen and taxpayer should avail himself of the opportunity of attending this Town meeting to decide the fate of such an important issue.

Respectfully submitted,
